

TEAM FOCUS

January-June 2021

For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you a hope and a future. Jeremiah 29:11.

"When I was 11 years old, my father died. I know that there are a lot of young men today with the same needs I had because my father was not available to me. Team Focus seeks to come alongside young men to help them to achieve their ultimate goal; to walk in the destiny God has planned for them." --Mike Gottfried

"Who Do You Think You Are?"

Mike Gottfried

We recently completed a four-day retreat for the entire Team Focus staff (see Page 10). One of our speakers, Bobby Conner spoke on a question both God and the devil asks each of us. That question, who do you think you are?

When you assess value of a person or an object, it comes down to these questions: How rare is it and What is someone willing to pay for it?

In the fifties, I was growing up as a young kid collecting baseball, football and basketball cards. Like most kids, I had a 1952 Mickey Mantle card, a great player for the New York Yankees. I didn't realize I should save his card. I could have traded the Mantle card, or quite possibly I could have lost it or could have given it away or put the Mantle card in the spokes of a bike to make it sound like a motor.

So, I didn't understand that in 2018 someone would pay 1-1/2 million dollars to buy a 1952 Mickey Mantle card. Wow!

1. God created us. We are fearfully and wonderfully made according to Psalm 139.
2. God created you to do His purpose for our life according to Jeremiah 29:11.
3. You are one of a kind. You are unique.

Therefore, the answer to Who Do You Think You Are is this.... God created you to fulfill His purpose for your life.

Well, you may be thinking, I messed up, I've made so many mistakes, I have sinned against God. Many followers of Jesus have a not so great before. The followers He selected.... a brash fisherman, a thriving tax collector, a demon possessed woman. God sees the past, the before to what He purposed and planned. He sees past the before to love those He loves enough to call his own. When we cry out to Him and confess our sins.... He Forgives Us. Thank you, Lord!

1. So how rare are you? You are fearfully and wonderfully made by God to do His Purpose for your life. Ask God what is my purpose in life? You are genuine and one of a kind.... that makes you rare!

2. How much would someone pay for you? Jesus died for your sins and my sins. Jesus gave it all and paid it all for us. You are created by God and He Loves You! You have a great future.

God bless you and your family.

Mike Gottfried

Co-Founder/President

Thank you Coach Nick Saban and President Jim Tressel for supporting Team Focus!

Mobile, AL Banquet - May 6, 2021:

Pictured with Coach Nick Saban during a question and answering session at the Mobile Team Focus Banquet is Team Focus member Brian Hines and Randy Kennedy (Host of the Randy Kennedy Show on Sports Talk 99.5).

TF Mentoring Has Been Making a Difference For 20 Years

CELEBRATING OVER 20 YEARS OF TEAM FOCUS

Team Focus Mobile, Alabama Chapter

To Live with Honor

Bryan Feng became a Scout member in elementary school and recently received his Eagle Scout badge. Team Focus Mobile, Alabama Director and former alum, Aaron Dais had the opportunity to be Bryan's mentor during his Eagle Scout project. The project consisted of building from scratch: picnic tables and large durable benches for a local humanitarian center for rescued animals. There were also 21 merit badges he had to work for and seven ranks he had to achieve.

The foremost responsibility of an Eagle Scout is to live with honor. Bryan has been heavily involved with Team Focus now for almost four years and during his time with us, he has exemplified honor. He is currently a senior of Davidson High School. We are extremely proud of you Bryan!

--Aaron Dais, Team Focus Mobile Chapter Director

"Achieving the rank of Eagle Scout is an important achievement for me. My 12 years in the Boy Scouts, along with Team Focus, have shaped me into the young man I am today. This milestone shows the fruits of my labor." --Bryan Feng

MEMORIES: Do You Remember The First Team Focus Graduate?

Johnathan Allen has been through many "firsts" over the past 20 years.

Twenty years ago, Johnathan Allen attended his first Team Focus camp. It was the very first Team Focus camp which was held in Mobile, Alabama. Johnathan was the first high school graduate of Team Focus and the first Team Focus member to graduate from college. Johnathan could also have possibly been the first Team Focus member to get married (not sure about this first).

Mobile Team Focus Alumni Johnathan Allen just celebrated 10 years of Marriage with his wife Ashley Allen. The couple met through another alumni member of Team Focus. Johnathan and Ashley have been together ever since. They did not have a big wedding when they initially got married but they celebrated in a big way this year by having a wedding ceremony to celebrate their 10 years of marriage.

We want to congratulate Johnathan, the first high school graduate of Team Focus, on 10 years of marriage! Johnathan has grown to become an awesome man, a business owner, a husband, and a great father of three.

The Team Focus A/V Club and YouTube Channel

There are many wonderful things happening on our channel for you to see. Take advantage of the opportunity to expand your vision with the stories that have been told so far. We encourage you to SHARE them with others in your family, community, and more. There is no limit to those who can be impacted by our message! Next time you are on YouTube, give us a thumbs up and remember to SUBSCRIBE to the channel for weekly updates! Communication is key to growing with one another.

We hope to hear from you soon! We are also doing giveaways now on our channel, STAY TUNED! Search www.youtube.com/teamfocususa in your internet browser to find us!

CELEBRATING OVER 20 YEARS OF TEAM FOCUS

Where Are They Now?

My story began 20 years ago. I was a 12-year-old young man living in Galion, Ohio. As I was leaving an event, I was told about Team Focus. When I went to my first camp, it was a defining moment in my life. As a kid, I was exposed to drugs, alcohol, abuse, poverty....and all without a father.

During my teens, I lived with friends and families that loved and cared for me. I worked two jobs in high school, managed my grades and played sports. My twin brother, other siblings and I all lived with different families.

During my 20-year relationship with Team Focus, I have learned about the Lord, made life-long relationships, traveled the country, met First Lady Laura Bush and even moved to Mobile, Alabama where I attended college. After graduating from college, I was blessed to give back to Team Focus by helping other young men like myself as I worked as a Team Focus director in Mississippi.

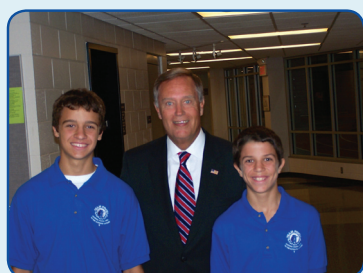

Team Focus gave me the opportunity to take all the habits I created to survive and educated me on how to build new habits to thrive. I learned the importance of God, family and finding my destiny to be the man I was created to be. Till this day, I still carry the card of Aces, a wooded baton gifted to me over a decade ago, and the painting of Team Focus.

I currently live on the coast of Mississippi with my God-fearing wife Kelli and our three pets.

20 years later, I wake up and still recite the Bible verse Jeremiah 29:11; live out the mission of Team Focus; look for the golden nuggets and do my best to have the right attitude.

THANKS TEAM FOCUS FOR ALL YOU'VE DONE IN MY LIFE.

--Tony Javens, Team Focus Alum

Pictured L to R: Marc Wadsworth, Former Ohio Congressman Mike Oxley and Marc's brother Garrett who also went through Team Focus.

I know you all have heard this verse many times before, but I want to start with Jeremiah 29:11; "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you but plans to give you hope and a future." While we want to immediately apply this verse to our personal journeys, I think it is important to understand its original context. This verse is an excerpt from Jeremiah's letter to the surviving elders, priests, and people that were taken into exile from Jerusalem to Babylon by King Nebuchadnezzar. At a time when all seemed hopeless, these words were a promise and meant to inspire God's followers to have faith. For me, when I first heard this verse in 2006 at the Ashland, Ohio Team Focus Leadership Camp, it had a similar effect; to not be fearful about my future because of losing my father, but rather trust in the Lord and have faith in his plan.

Through Team focus, I learned the meaning of having faith. This helped me through high school and college when times were difficult and required perseverance. By relying on my faith and relinquishing the trepidation about my future, I was able to explore my interests during college. Specifically, it was during this time I discovered my passion for science and knew that I wanted to turn it into a career. Upon graduating from college, I continued my education at MIT, where I not only obtained my Doctorate in Chemistry but also met my wife. Together, we rely on faith to ground our family and guide our personal and professional lives.

I am thankful for the friendships I gained at Team Focus, both with other members and the amazing mentors, as well as learning how to rely on God when confronted with difficult challenges. **--Dr. Marc Wadsworth, Team Focus Alum**

The Strength of Team Focus is the Power of God

CELEBRATING OVER 20 YEARS OF TEAM FOCUS

Where Are They Now? (Continued)

Update on a California Team Focus Family of Seven Young Men:

Emmett Reid was the Director of the Team Focus California Chapter and he stated that one of the biggest impacts from the California chapter was that a lot of the Team Focus young men joined the military after high school graduation. One family that particularly stands out from the California chapter is the Brantley family. There were seven boys in their household and they all were involved with the Team Focus program. Emmett acknowledged that they had an incredible great aunt that raised them. The three youngest brothers were only involved with Team Focus for a few years before the Team Focus California Chapter ran out of funding and had to end. Following are their stories:

The youngest Team Focus California member from this family is Kyle Brantley (age 21). Kyle joined the US Marines after high school graduation and is now going to school to be a prison guard. The next to the youngest Team Focus California member from this family is Marquis Brantley. Marquis is currently incarcerated. His brother Kyle, who is going to school to be a prison guard, has the determination to work with him and help him get through this to become a better person. The third youngest Brantley young man to go through the Team Focus California Chapter is Gilbert Brantley (Age 24). Gilbert is out in the working force and doing very well. Following are the updates of the other four brothers who were longtime California Team Focus members:

Kayon Brantley (age 26), graduated from the University of California Berkely on a full academic scholarship. He was also presented with the Vince Lombardi Award given by Lift Up America for Outstanding Ambassador for Compassion and Community Leadership. Kayon still lives in California and is doing very well.

Damien Brantley (age 28), received a degree in Computer Science from CSU (San Marcos) and is currently a software developer. He lives in Japan (which is no surprise as he was a foreign exchange student while in college). He has been in Japan for three years.

Davion Brantley (age 30), is currently a nurse. He stated: "Team Focus taught me a lot.... what it means to be a man, manners (which I still use) and to follow the proper path. It also taught me to be goal oriented."

Kenneth Brantley (age 32), works as a Mechanical Engineer and still lives in California.

"A father of the fatherless, a defender of widows....." --Psalm 68:5

Honor, Respect, Leadership and Legacies

CELEBRATING OVER 20 YEARS OF TEAM FOCUS

Remember When

"You are only as strong as your history!" --Mike Gottfried

In 2000, Coach Mike approached me in my position at GMAC Financial Services with a proposal to help fund a leadership camp for fatherless boys. He called it Team Focus.

This incredible organization was founded to help prepare young men for the rest of their lives....leadership experience, job interview training, etiquette lessons, Bible study and team building. Team Focus taught all of these essential life skills, and so much more. During my visits to the summer leadership camps, it was not unusual to find myself sitting next to the young men during class, learning or re-learning these skills that are so important for a purposeful life.

While my place with Team Focus concluded years ago, even the shortest amount of time spent with its leaders: Coach Mike, Miss Mickey, Rocky and Sue, and so many others - was enough to impact the rest of my life in the most positive of ways and I am not the only one.

Team Focus continues to guide thousands of young men, offering them love and support and the opportunity for a brighter future - a place to grow and mature into leaders. It is a lasting legacy whose impact has already been realized, and one that will continue to be felt for countless generations to come. Congratulations on celebrating twenty years, Team Focus! --**Karen Weinberg**

Trust in the Lord!

Proverbs 3:5-6 says: "Trust in the Lord with all your heart, lean not to your own understanding. In all your ways acknowledge Him and He will direct your path." This Word of the Lord gives HOPE for your future!

You may be trying to make sense out of all the crazy upside down things happening in your world today. However, the Lord says "do not rely on your own understanding" that you get from the mainstream media, from the internet or social media, or even your friends. He says ***"I AM the TRUTH, TRUST ME!"***

God is WITH YOU at home, at school, on the basketball court or the playing field, and as you travel here and there. Recognize Him as your true friend who sticks as close as your breath! Get quiet and Listen for His voice inside your heart saying "this is the way, walk ye in it".

He promises to direct your path.

That means, he will warn you of danger if you hang out with the wrong friends or decide to do something stupid. He will encourage you to discover your gifts and talents and use them to benefit others. He will guide you on a path that will prepare you for your Life's Destiny. He will enrich your life with Love and Peace. He will bless you as you leave your home and as you return.

Read the Bible and get to know your faithful friend. He's a GOOD GOD, so TRUST HIM with all your heart!

Pastor Rey

"Trust in the Lord with all your heart, lean not to your own understanding. In all your ways acknowledge Him and He will direct your path." --Proverbs 3:5-6

Welcome to the Team Focus Family!

CELEBRATING OVER 20 YEARS OF TEAM FOCUS

An Encouraging Word from Greg Crance - the Team Focus National Board President

Wow! It has been a special privilege and a blessing to be a part of the Team Focus family as we celebrate our 20th year anniversary.

Being a part of the mission of Team focus has been a huge blessing in my life.

The entire process of seeing young boys developing into manhood, with solid virtues and values, is an experience that overwhelms me beyond words. Watching young boys who develop into family and community leaders, strengthens my own soul.

Our Co-founders, Mike & Mickey Gottfried, have unselfishly built and strengthened our ongoing purpose and mission within Team Focus. Mike & Mickey intensify our passion for this ministry and fortify our outward expression of love and care for young boys who need a father figure in their life.

Participating in Team Focus is a life altering experience!

On behalf of Mike & Mickey Gottfried, our staff, and our leadership teams, I want to thank you for supporting the efforts of Team Focus. If I may ask, we need your continued support to help Team Focus carry on the ministry of helping young boys across America. You will be a part of a legacy that truly makes a difference, and that has eternal impact, on and in, the lives of youth leaders in our communities. Your prayers and your giving will extend generational blessings for you and your family.

--Philippians 2:3

Team Focus has made a difference in my life, and I pray that it does the same for you.

God Bless!

Greg Crance, Team Focus
National Board President

Matthew 25:40 (NIV) *"The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did it for me.'"*

An Encouraging Word from Bob Sebo - Team Focus Ohio Advisory Council Member

As I was reading the past Team Focus Newsletter and reading what everybody had to say, I felt I should pass on to you how God smiled on me this year.

On New year's Eve day (around 1:00 p.m.) I tested positive for the Covid-19 virus and by 5:00 p.m. I was admitted to Salem Regional Medical Center.

The next morning (New Year's Day), I had an x-ray and a cat scan that showed pneumonia. As you are probably aware of, it is dangerous when there is a combination of virus and pneumonia. In addition, I have asthma, diabetes and blood pressure issues. All of these things didn't bode well for the future of ol' Bob Sebo.

At 1:00 p.m. on New Year's Day, we found out that getting transferred to Cleveland Clinic would take 3-4 days. With prayers

and some of my friends who talked to the CEO at Cleveland Clinic, instead of 3-4 days, it only took 3-4 hours. By 5:00 p.m. I was in an ambulance on my way to the Cleveland Clinic.

After five days of Remdesivir, thank God they got a good handle on the pneumonia and the virus. I'm certain God intervened. I was able to come home on Monday at 6:00 pm. I was then quarantined in a bedroom at my house with a TV and a comfortable chair. My wife Linda brought me three meals a day.

I thank God for looking out for me. I felt during this God fearing experience (I'm absolutely certain), it was the right hand of God that I am able to sit here right now.

Bob Sebo, Team Focus Ohio Advisory Council Member

CELEBRATING OVER 20 YEARS OF TEAM FOCUS

Team Focus Ohio Chapter

After 20 plus years of working with Team Focus, I am convinced more than ever that the needs are so much greater than our resources.

Over the years, I have come to see our young men mature into productive citizens who have gotten married and started their own families; joined the Armed Forces and served overseas; went to college; graduated and joined the workforce. It has been exciting to say the least!

It is like being a continual father waiting to see what other adventures these young men will enter. I am so proud to have been a part of their lives. They have made Team Focus an organization that can say, ***"We planted the seed and now are reaping the amazing benefits."***

God bless all our members (and their families) that have graduated and the ones yet to do so!

Rocky Alt

"Forever In Our Hearts"

It is with the greatest sadness to let you know that three of our beloved longtime Team Focus family members recently passed away. Team Focus Ohio Advisory Council Members Fred and Ruth Martinelli passed away within just four months of each other. Ruth, age 90, passed away on January 17, 2021 and Fred, age 92, passed away on May 15, 2021. Fred and Ruth touched many people's lives through coaching, teaching, volunteering and serving others. They are gone but not forgotten!

Team Focus Ohio Alumni member and Volunteer Chris Baker, age 36, passed away on April 23, 2021. Chris's dedication and service to Team Focus for 18 years will never be forgotten. Chris always had a smile on his face and was a blessing to Team Focus and everyone that knew him.

We would like to extend our most heartfelt sympathies to their families and friends. We are so very thankful for all they did for the fatherless young men of Team Focus. May we all be comforted by the wonderful memories we shared with the three of them.

***"In My Father's house are many mansions; if it were not so, I would have told you.
I go to prepare a place for you." --John 14:2***

Coaching Young Men for Life

CELEBRATING OVER 20 YEARS OF TEAM FOCUS

Team Focus Eastern Kentucky Chapter:

Coach Mike and Mickey, we congratulate and celebrate with you on the 20 years of mentoring young men through your Team Focus Leadership Organization.

I'm thankful for the opportunity you all gave me to be the Director of the Kentucky Chapter for the last 11 years. Being a part of Team Focus has helped me to grow personally and to grow stronger in my faith with God.

Janie, our daughter, Beth, and I have enjoyed working with the young men, their parent/guardian, Team Focus staff members, all of the fine people we have had the opportunity to meet, and those that have contributed to our chapter these 11 years. May God continue to bless Team Focus and the vision God gave to you! --Bill Baldrige, TF Director/Eastern KY

Team Focus Western Kentucky Chapter:

Thanks to the generous support of Gary Koon for funding the Western Kentucky Team Focus Chapter. The Western Kentucky Chapter held its first leadership camp on the campus of WKU June 11-14. We had 30 young men participate, along with close to a dozen volunteers working with the members and numerous speakers throughout the camp.

The Team Focus scripture is Jeremiah 29:11 and we emphasize this at all our summer leadership camps.

We had lessons on notetaking, manners/proper etiquette at formal meals, physical activities and leaders conducting Bible devotionals during our camp. The young men made many new friends with other campers and volunteers. We appreciate all of our volunteers and enjoyed our visitors from the other Team Focus chapters.

Coach Jim Richards was our keynote speaker at our fine dining event and he did a great job. We appreciate the efforts that the Team Focus Co-Founders Mike and Mickey Gottfried made to be with us and for our young men to have the opportunity to meet the founders of this great organization that has helped thousands of young men for over 20 years. --Curtis Turley, TF Director/Western KY

Nothing happens in God's Kingdom until something is spoken!

Team Focus Mentors are Raising Up Champions

CELEBRATING OVER 20 YEARS OF TEAM FOCUS

“Thank You” From A Thankful Team Focus Mom

Team Focus, Our Family:

Nathaniel “Nate” Dillard is my son and he is 15 years old. We learned about Team Focus in February of 2018. We lost Nate’s Dad to multiple myeloma cancer in September 2015. Nate was only 10 years old.

Nate has struggled with not having a Dad. His sisters are all much older than him; the youngest sister is 14 years older. Nate is a very smart young man and none of the kids he was in school with had dealt with a loss like Nate. He was having a difficult time making friends.

Since joining Team Focus, Nate has learned he is not the only boy that doesn’t have a Dad. Some boys have lost their Dad in different ways; maybe like Nate’s Dad, or by divorce or by other means their Dad cannot be there.

Nate has made friends through Team Focus, but most importantly we have grown to love the Team Focus family. They have already been through what Nate and I are going through and they welcomed us like family. They have helped us with coping, tutoring, and helping Nate just learn life skills through a man’s point of view.....not just having to learn from Mom. Team Focus hosts mini-camps, classes, ACT prep, etc. Anything they can do within reason, they will do for every young man in the program to help them learn life skills and how to be successful in life, including preparing them for job interviews and even helping them find jobs.

Team Focus always stresses the importance of school/learning and preparing for the future, especially putting in the hard work it takes to be a good Christian man in this world. It means more to Nate for him to learn from guys that have been through life like him. No one can take his Dad’s place, but these men sure help to fill that void. They help Nate to cope better and learn life lessons. They encourage Nate to come out of his comfort zone, and try to teach him to reach from within to do his very best and to trust God in decision-making.

Nate was given the opportunity to fly for the first time....thanks to Team Focus taking him to an Ohio Team Focus Summer Camp. He still talks about that experience, the flat tire is one of his favorite memories, ha ha!

Aaron and Derius not only mentor these boys, they are more like big brothers to Nate. He laughs and jokes with them and pulls pranks on them (friendly ones thankfully)! Nate’s Dad loved to tell jokes and pull pranks and Aaron and Derius are helping keep that memory alive for Nate. They help him to stay focused and help remind him to be respectful and always lend a helping hand, something that is important for me as a Mom.

Coach Mike and Mrs. Mickey are Amazing! I am so grateful they listened to God’s voice and started this program, Ms. Deloris is just as Amazing! She brought her boys up in Team Focus and keeps everything running smoothly for us Moms. She doesn’t hesitate to help us if she can. Everyone in the Team Focus organization has always treated us like family, most importantly, they make sure God is in the middle of it all. That is most important to me.

THANK YOU TEAM FOCUS!

Nancy Dillard, Team Focus Mobile, Alabama Mom

“A father of the fatherless, a defender of widows.....” --Psalm 68:5

Coaching/Mentoring/Teaching Life Skills

CELEBRATING OVER 20 YEARS OF TEAM FOCUS

Team Focus to Launch Indiana Chapter 2nd Half of 2021

As we head into the second half of 2021, Team Focus will be launching a new chapter in Central Indiana. Mike Leonard, former Head Football Coach at Franklin College, Franklin, IN and Bud Boughton, a former coach and seasoned business executive, will serve as the Co-Directors for the new chapter.

Boughton (pictured) first became aware of Team Focus when he attended the Ohio Chapter's Annual Fundraising Banquet in 2018. After that experience and hearing all of the success stories, Bud made the decision to consider pursuing a Team Focus Chapter for Indiana. Then, when Mike Leonard stepped down from his head coaching position at Franklin College after 20 years, Bud sat down with Mike and they discussed the possibilities. Boughton said, *"Mike and I have become great friends since we started coaching together going back to 2007. I know what a strong, committed Christian Mike Leonard is and I knew he'd believe in the vision and the mission of Team Focus. Once I shared with Mike what I wanted to do with Team Focus, he was ready to jump onboard."*

Leonard (pictured) agrees that this is a great opportunity for both himself and Bud Boughton. *"As Co-Directors working together to do this launch, Bud and I are comfortable that we can split the workload based upon our individual talents and in doing so, be very effective launching this new Team Focus chapter. We are both very excited about launching this chapter and helping to fill the 'fatherless gap' for countless boys in Central Indiana."*

Mike Gottfried, President and Co-Founder of Team Focus is excited about the new chapter and the leadership that is in place to launch it. *"We're very excited to have Mike Leonard and Bud Boughton leading the charge for us as we expand our ministry into Indiana. As former coaches who have worked with hundreds of athletes, they both understand what 'the father-less gap' is and why we need to fill that gap for boys 10 to 18 years of age. I have no doubt that Mike and Bud will do a great job launching and growing this new chapter."* Boughton and his wife Cindy recently attended the 2021 Team Focus Ohio 20 Year Gala Celebration where former Ohio Head Football Coach, Jim Tressel, was the keynote speaker.

Marching Forward in Vision

Team Focus staff members, future staff members and some alumni recently held a "March Forward in Vision" retreat in the mountains at Moravian Falls, NC. It was a time of refreshing, encouragement, affirmation and enrichment of relationships. There was time for sharing, teambuilding and special speakers. One of the speakers, David White shared about "Being a Leader in Turbulent Times".

There were discussions about the goal of Team Focus which is "Filling the Father Gap". Filling the Father Gap is anything a father would do. We are raising up leaders so they can go back to their sphere of influence and lead others.

There was a great expression of love and passion for the Team Focus young men that are in the program. It was truly a meaningful time of sharing and koinonia. --Sue Alt

"Let them shout from the top of the mountains. Let them give glory to the Lord, and declare His praise in the coastlands." --Isaiah 43:11-12

THANK YOU FOR OVER 20 YEARS OF SUPPORT!

2021 Team Focus Summer Leadership Camps

"We thank God upon every remembrance of you."
